European Union financial support: FEDER - 196.231,87 €

Project objectives:

1. Activate the action plan of MOBINOV - Automobile Cluster Association, supporting its management and supporting its dynamization;
2. Promote the visibility and notoriety of the cluster at national and international level;
3. Provide information to support the collective knowledge of the sector that contributes to the efficiency of the actions carried out;
4. Promote proximity and collaboration with other clusters and sectors of activity that mobilize the automotive sector and the national industry;
5. Develop a strong clustering dynamic in the national industry that, like other countries, promotes cooperation between companies in the automotive sector and SI&I entities;
6. Contribute to the goals of Industry 4.0 and the Portugal 4.0 initiative, ie;
7. Accelerate the adoption of Industry 4.0 technologies and concepts in the Portuguese business production;
8. Promote Portuguese technological companies internationally;
9. Make Portugal an attractive hub for investment in the Industry 4.0 context..
